EDUCATION

ADITYA ENGINEERING COLLEGE

2022 - 2026

Information Technology

CGPA: 9.24

ADITYA JUNIOR COLLEGE

2019 - 2021

Intermediate(MPC)

Percentage: 97%

ADITYA SCHOOL

2018-2019

10th grade

GPA: 10.0

EXTRA CURRICULAR

- Won in the district skating competition.
- Won district level award for painting.
- won many awards in IOM, IOS, IOEL exams.
- Appointed as Director of club services for Rotaract club of Aditya engineering college.

SKILLSET

- **TECHNICAL SKILLS** -C,C++,Python,Java,SQL,Linux.
- **Artistic skills** – singing , painting and sketching
- **SOFT SKILLS** -Good Communication skills, teamwork ,problem-solving,adaptability.
- **Languages** - English, Hindi, Telugu
- **Certifications** -Red Hat certified System Administrator.
-My Website web design course at GUVI
- **NYROS TECHNOLOGY | SOFTWARE DESIGN INTERN**
JUNE - JULY 2024

WORK EXPERIENCE

PRAJWALAN 2024 - A NATIONAL LEVEL HACKATHON, directed by SRKR college of engineering, Bheemavaram.

During my tenure at a technical hackathon, I thrived in an intense, collaborative environment where innovation was paramount. As part of a dynamic team, I applied my technical skills to rapidly prototype and develop a groundbreaking solution. This experience not only enhanced my proficiency in coding but also reinforced my passion for pushing boundaries and creating impactful solutions in the realm of technology.

SKILL UP CODER and BECOME CODER |

TECHNICAL HUB, Aditya engineering college.

My experience as a skill-up coder at a technical hub was transformative. Immersed in a vibrant community of learners and mentors, I rapidly advanced my coding proficiency through hands-on projects and structured learning modules. Collaborating with diverse teams on real-world challenges enhanced my problem-solving abilities transitioning into a role as a coder, I applied these skills to contribute effectively to complex projects, demonstrating my commitment to continuous improvement in the ever-evolving tech landscape.
